WELCOME TO RAMBLER HOLIDAY 2008!

Rambler Holiday is a new type of event arranged by SARS club members living permanently in Poland – Göran and Jola Kjellander. The event will take place in Pobierowo on the Polish Riviera, close to the beach. We are accommodated in two buildings with different types of suites – all of very good standard. The idea is to create a real family event accompanied by full relaxation and rest. We invite you with your family and friends to experience something new – a genuine *Rambler Holiday*.

All owners and fans of AMC/Rambler cars are welcome, as usual it's not a must to own one ... You are welcome in your "everyday banger". Most activities are planned on Friday afternoon and Saturday. The price includes a four day stay in Pobierowo. It's your choice how long you wish to stay ...

It's very easy to find your way to Pobierowo that is situated only 45 minutes drive from ferry terminal in Świnoujście and 3 hour drive from Gdansk.

Visit Poland as you will be surprised by lovely nature, friendly people, delicious Polish cuisine and very friendly atmosphere. Poland still offers competitive prices and it feels as safe here as in your homeland.
